

To the ballplayers who dream big:

This game has a way of knocking you down, but there is a beautiful balance that comes along with that. However you measure your success, always remember this: playtime, stats, records, wins and loses don't mean anything compared to the people you meet and the friendships you make. So grab a Dugout Mug, round up your teammates and cheers to the greatest game of all time.

I wish you the best in your careers and welcome to the Dugout.
